NOTE TO: Dr. Darnell Whitt
Intelligence Advisor
Office of the Secretary of Defense
for Policy

FROM : Deputy Director for Intelligence

Darnell --

Attached is a copy of the memo I discussed with you this morning. As I mentioned, while it's not sensitive from a classification standpoint, it was a private communication from me to the Director. I have no objection to your sharing it either with Fred or General Gast's people but I would hope its circulation could be kept as limited as possible.

As I also said on the phone, I am not sure there are any specific details in the memo that will be particularly helpful to the security assistance people. If any of them think it would do any good, I would be happy to talk with them personally.
